

HARVARD IMPLICIT BIAS TEST RACE – SKIN TONE - WEAPONS – IAT TEST

REFLECTION YOU CAN USE THIS SHEET TO RECORD YOUR RESPONSES.

Harvard IAT	
1	<p>Before taking the test, write down your prediction. Do you think you will have a bias (preference) when it comes to race, skin tones and weapons threats? Explain your ideas of self-perception.</p>
2	<p>Be sure to read all of the information as you take the test. It will tell you what most people score, which might help frame your response to your results.</p>
3	<p>Was there anything that surprised you? Think back on your own personal experiences, relationships and observations. How much has media impacted your perceptions. Reflect on the images you have seen on TV online, in books, music. Did your results coincide with what you see or was it opposite of what you have been exposed to?</p>
